

REIKI AND ANIMALS

Reiki is a complete energy healing system that goes to the center of the problem, considers the whole being and can gently orchestrate a healing process.

Reiki can help animals:

- Ⓜ Deepen bond with owner and other humans
 - Ⓜ Healthy animals maintain health
 - Ⓜ Promote healing of physical illness and injury
 - Ⓜ induce deep relaxation
 - Ⓜ reduce symptoms of stress
 - Ⓜ reduce nervousness
 - Ⓜ accelerate healing after surgery or illness
 - Ⓜ For dying animals, can provide compassionate support making their transition more peaceful.
 - Ⓜ Can be given at a distance.
 - Ⓜ Can be used for any problem
 - Ⓜ Heals on all levels.
 - Ⓜ Works well with Veterinarian and other treatments and medications.
-
- Ⓜ Offering **Reiki sessions for animals**. Length of session varies depending on the animal but typically ½ to 1 hour
 - Ⓜ Offering **Reiki Classes** where you learn about Reiki, how to use it for yourself and with animals.

For more information or to **schedule a Reiki session for your pet or an animal** or if you would like to **learn to use Reiki for yourself and/or for your pet**, please contact me about sessions or Reiki classes.
